Marbling Workshop

Description

We will be making some wonderfully brilliant marble designs. We will create some interesting patterns and transfer them to papers and fabric both natural and synthetic. Adventurous participants will attempt to marble some 3 dimensional objects. With a little practice we will have some interesting designs that will be permanent. This workshop is suitable for quilters and creators of artist books. All marble paints wash up with water. We will not use any petroleum based solvents. Designs are permanent, washable and drycleanable. We will be using pure cotton pieces as well as pure silk hankies and paper.
